

Paula Fuga

*Just A Little Bit--Lyrics*

Hold on just a little bit longer

I know in time you'll feel a little stronger

And try just a little bit harder

When you feel like slipping

Time to give it your all

Just a little bit

Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do

Laugh just a little bit louder

Who cares if they think that

There's something funny about her

And smile just a little bit brighter

And all your troubles will seem a bit lighter

Just a little bit

Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do

Dream just a little bit bigger

If you can see it

Hold onto that picture

And dance just a little bit crazier

Like no one's watching

'Cause I'm a lover and a dreamer

Just a little bit

Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do

Sing just a little bit sweeter (Sing a song)

Close your eyes

It gets a little easier come on

And breathe just a little bit deeper (just a little bit deeper)

Exhale the negative

You'll feel a little freer

And be just a little bit better

Better than yesterday

And even better tomorrow

If we just love just a little bit more

Be true to yourself

And give from your heart

Just a little bit

Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do

(Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do)

Just a little bit

(Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do)

You'll feel a little freer

Just a little bit

(Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do)

Said you'll feel a little freer

Just a little bit

(Do, do-do, do, do, do-do, do

Do, do-do, do, do, do-do, do)

Said you'll feel a little freer

Just a little bit
