

Lilikoi Lyrics

Paula Fuga

(Vocalizing) Wo-oh-oo-oh, Wo-oh-oo-oh

Sweet and sour like a lilikoi oh my joy

Like smoke rising from the fire taking me higher

I'll never ever love again

The way that I loved you my friend

I know I put it all on you

Let your thoughts determine how I feel about me too

But now I know I must be one within

Before I create my own kin

I must be strong I must rely on the father

An independent daughter needs a strong courageous mother

Oh and now I know

I see the light it's clear to me now

And now I know

Sweet and sour like a lilikoi oh my joy

Like smoke rising from the fire taking me higher

Ina mamake au e hopu i ka i'a

Pono e mālama i ka lo'i

E piha ana i ka loko i'a

Hiki no ke koho me ke pono

And now I know

I see the light its clear to me now

And now I know

(Melodica solo)

Sweet and sour like a lilikoi oh my joy

Like smoke rising from the fire taking me higher

And now I know

I maopopo

Oh sweet and sour like a lilikoi

My my my my joy

My my my my joy

My my my my joy

So clear to me now

So clear to me now

So clear to me now

So clear so clear to me now

So clear to me now

(Vocalizing)
